

Appl. No. 10/708,807  
Amdt. dated March 26, 2004

**Amendments to the Drawings:**

The attached two sheets of drawings include improved copies of micrographs of steel in FIGS. 7-10. These sheets replace the two original sheets that also include FIGS. 7-10.

Attachment: Two Replacement Sheets (4/6 and 5/6)

**REMARKS**

The original drawing sheets 4/6 and 5/6 were electronically filed on concurrent date herewith, and the quality of the electronic scanned micrographs is relatively poor. Accordingly, the replacement sheets 4/6 and 5/6 are submitted to provide better quality copies.

Applicant respectfully requests entry of the foregoing amendment in that the amendment, filed on the same date as filing the application, merely makes substitutions to provide improved quality of micrographs.

Respectfully submitted,

Christopher A. Tokarz  
(Applicant)
